BIOGRAPHICAL SKETCH

Forrest C. Donnell was born at Quitman, Missouri, on 20 August 1884. He attended a private school at Cameron, Missouri; graduated from the public schools of Maryville, Missouri, in 1900; and received an A.B. degree in 1904 and an LL.B. degree in 1907 from the University of Missouri. In 1941 Westminster College in Fulton, Missouri, conferred upon him the honorary degree of LL.D.

Donnell was admitted to the bar in 1907 and practiced law in St. Louis at various law firms. He engaged in the private practice of law from 1951 to 1956. He was active in many associations and was president of the Association of Young Republicans of Missouri in 1916. He served as governor of Missouri from 1941 to 1945 and as U.S. senator from Missouri from 1945 to 1951.

In 1913 he married Hilda Hayes of St. Louis. They had two children: Ruth and John. Donnell died in 1980.
