

C U.S. Army, Corps of Engineers, Missouri River Photographs, 1928-1931
647 15 folders

This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at shsresearch@umsystem.edu.

INTRODUCTION

Photographs of highways and railroad bridges across the Missouri River, with maps and basic engineering facts. Also pictures of boats and construction for river control.

DONOR INFORMATION

The photographs were donated to the Western Historical Manuscript Collection by the University of Missouri Library on 30 December 1947 (Accession No. 2908).

SCOPE AND CONTENT NOTE

The collection has been arranged into the following two series: **Maps** and **Photographs**. More complete series descriptions are located in the folder list.

FOLDER LIST

Maps Series

- f. 1 Maps accompanying photographs of bridges over the Missouri River. Maps show the bridge, river, and surrounding land. The numbers on the photographs correspond to the numbers on the maps and indicate the location from which the photograph was taken. Maps of all bridges are included except for Yankton, South Dakota.

Photographs Series

Photographs of highway and railroad bridges across the Missouri River in Missouri, Iowa, Nebraska, and South Dakota. Basic engineering facts for each bridge are included.

- f. 2 Bellefontaine and St. Charles, Missouri.
- f. 3 Hermann, Jefferson City, and Boonville, Missouri.
- f. 4 Glasgow, Waverly, and Lexington, Missouri.
- f. 5 Sibley, Independence-Liberty, and Randolph, Missouri.
- f. 6 Kansas City, Missouri; Leavenworth and Fort Leavenworth, Kansas.
- f. 7 Atchison, Kansas; St. Joseph, Missouri; and Rulo, Nebraska.
- f. 8 Plattsmouth and Omaha, Nebraska.
- f. 9 Omaha and Blair, Nebraska; Council Bluffs, Iowa.
- f. 10 Sioux City, Iowa; Yankton, South Dakota.
- f. 11-15 Photographs of snagboats, towboats, and steamboats taken at Gasconade, Missouri, 1928-1931. Photographs of levees, reaches, chutes, and other

construction projects for river channel control at the bends of the Missouri River.
