**Introduction**

Approximately 9 cubic feet

This addenda to the James W. Symington Papers contains correspondence, speeches, press releases, photographs, poems, and subject files pertaining to Symington’s career as the Democratic U.S. Representative for Missouri’s second congressional district (1968-1976), director of the President’s Committee on Juvenile Delinquency (1965-1966), and the Deputy Director of Food for Peace (1961-1962). Other materials of interest include the manuscript for Symington’s book, *The Stately Game*, which chronicled his time as Chief of Protocol of the United States (1966-1968). The collection also contains poems and songs written by Symington. The materials in this collection date from 1960 to 1976.
